

# PARADICE CASTING PARKING AND DIRECTIONS

My studio is located in the general Faneuil Hall Marketplace. If you drive into the city, park at the Haymarket Garage (entrance is on Sudbury Street) and bring the ticket with you, we validate for that lot, but **ONLY** that lot! \$3 for up to 3 hours. **BRING THE TICKET WITH YOU TO THE AUDITION. SO WE CAN VALIDATE IT!** I put in 136 Blackstone Street as the garage address and it brings me right to the garage entrance. Not everyone's does that, so to be clear, the entrance to drive into the garage is on Sudbury Street (FYI Congress Street north of Sudbury is closed right now, and on Friday's Hanover Street is closed between Congress St and Surface St).

**RED:** When you leave the garage, you'll exit onto Hanover St. Cross the street and walk down Union Street (where the Bell In Hand and Union Oyster House are) Cross North Street and enter the general outdoor marketplace area so that Sephora is to your left, and walk between the North Building (on your left) and Quincy Market Building (on your right). Once you reach the far end, Starbucks should be to your left and a sign that says Boston Scoops on your right. The Crocs store and Roster should be in front of you, on the second floor are signs for Asylum CoLab and Improv Asylum - that's where I am. There's a red staircase right there off to your right, come up those stairs, and we're the first offices right there.

**BLUE:** When you exit the garage you'll exit onto Hanover Street. Turn left down Hanover and take a right onto Surface Street. Walk down Surface Street until you get to Clinton Street (where the Dock Square Garage is - don't park here we can't validate for it!) Enter into the outdoor marketplace area so you pass Starbucks on your right, the Crocs store should be to your left, followed by Roster, the Quincy Market Building on your right, and in front of you to the left is the red staircase. Come up those stairs and my studio is located inside that first office space.

The Haymarket T Station (closest) also exits onto Surface Street, walk towards the Greenway and go right on Surface - follow the above BLUE directions.
